This form registers your team for the current Pioneer Valley Smartphone Trivia League [PVSTL] season. Seasons are quarterly: Winter, Spring, Summer, and Fall. Seasons start/end according to the seasonal calendar. Person registering a PVSTL team is the designated team captain. Team captain must be present OR an alternate captain be arranged in advance (pending Quizmaster approval), for the team name to be used and points to be awarded to PVSTL scoreboard. Scoring for PVSTL points are tallied week by week. Each week there are multiple games available to be played. At the completion of each week the HIGHEST score from any of those weekly games will be counted. A 50 point bonus will also be added for any additional games played in that same week. At the conclusion of the season, points will be tallied and the team with the most points will be named PVSTL Champion and will be awarded a Trophy or Plaque to honor the achievement, and any prizes collected during the season. Registration for a PVSTL Team costs \$50, but allows the team to waive the entry fees at all PVSTL games (organized by XZI productions; Affiliate hosts may/may not comply). Registering for the next season is FREE and automatic for the total of 4 seasons. Quizmaster will contact teams via email and SMS text message for all correspondence. This includes, but is not limited to standings, additional games and venues added to the rotation, reminders of upcoming events and potential bonus point opportunities.
